

Get LTE connectivity for your home or office. Simple and easy, self-installed in-home connectivity that's affordable without any fixed line installation needed.

### Benefits & Features

#### Wide Network Coverage

MTN Fixed LTE offers one of the widest available networks in South Africa, which means you'll find coverage almost everywhere.

#### Super-Fast Speeds

Enjoy speeds of up to 150Mbps\* in ideal Fixed LTE network and coverage conditions with compatible hardware.

#### 1 Month Data Rollover

If you don't use it, you won't lose it. Any unused Anytime data rolls over for one month, so you can bank your unused data and use it later.

#### Quick to Set Up

Don't wait around for an installation. As soon as your LTE router is delivered and your service is activated, you'll have internet connectivity.

#### No OOB. No Surprise Bills

Out of Bundle data rates don't apply. Just Top-Up your service when you run out.

# Telkom Fixed LTE

Get LTE connectivity for your home or office. Simple and easy, self-installed in-home connectivity that's affordable without any fixed line installation needed.

## Benefits & Features

### Move It With You

The Telkom LTE SIM will not get Geo Locked to the closest network tower, which means you can use this service at more than one location.

### Use Any LTE Compatible Device

No need to buy a new LTE router. You can order the SIM Only and use your own LTE compatible device.

### 1 Month Data Rollover

If you don't use it, you won't lose it. Any unused Anytime data rolls over for one month, so you can bank your unused data and use it later.

### Fast Speeds

Enjoy speeds of up to 50Mbps\* in ideal Fixed LTE network and coverage conditions with compatible hardware.

### Quick to Set Up

Don't wait around for an installation. As soon as your LTE router is delivered and your service is activated, you'll have internet connectivity.

# Fibre Internet

Fibre-to-the-Home is ultra fast broadband! It's by far the best way to connect to the net. Check to see if you're lucky enough to have this service available in your area.

## Benefits & Features

### Infinite fun

Never worry about how much data you use. Get Uncapped

### Ultra-Fast

Say goodbye to buffering and slow speeds

### 24/7 Support

Our support team is legendary. Give us a call anytime to see why!

### Cost Saving

No need for a landline.

### No Contracts

You're not obligated to stay with us, but we are sure you'll want to

## We have partnered with most SA's biggest Fibre Network Providers
