

Dear Business Partner

Get your business growing and more clients connected in 2023.

At Itech, we are dedicated to keep your clients connected with a wide range of connectivity options including Fibre, 5G and LTE.

We are always looking for ways to improve your client's internet experience and deliver more value to your business.

Our team is excited about the new services that are due to be launched this year, and we look forward to being of service to you.

We have worked hard to our prices as low as possible so that clients can keep doing the things they love on the internet.

However, the time has come to adjust our Fiber pricing as of the **1st of March 2023**.

Here are the new Fibre prices as of the 1st of March 2023

Openserve
